OBJECTIVE

Driven and resourceful Software Developer with a solid foundation in Java, front end development (HTML, CSS, JavaScript, React), and API development, seeking a Full-Stack Developer or Software Engineer position. Skilled in problem-solving and object-oriented programming, I am eager to contribute to the development of user-centric, high-performance applications. Committed to working collaboratively in a team, utilizing my ability to adapt and grow in fast-paced environments.

INTERN: SOFTWARE DEVELOPER, GREEMUS

06/2024 – 11/24

- Developed and optimized user interfaces for web applications using HTML, CSS, and JavaScript to ensure responsive and user-friendly designs.
- Collaborated with cross-functional teams to implement front-end features and improve the user experience, aligning with project goals.
- Utilized modern JavaScript frameworks and libraries, such as React.js, to build dynamic, interactive, and reusable components for web applications.
- Worked on debugging and troubleshooting issues to enhance the performance and functionality of the frontend codebase, ensuring cross-browser compatibility.

INTERN: IBM/GENRATIVE AI

02/2024 – 03/2024

- Explored generative models and neural networks in cutting-edge AI.
- Worked on projects creating realistic and creative content, contributing to innovative solutions

EDUCATION

VIDYA JYOTHI INSTITUTE OF TECHNOLOGY, (VJIT)

2020 – 2024

Course: B Tech, ECE, CGPA:6.5

TSWREIS

2018 – 2020

Board of intermediate, COURSE: MPC, CGPA:6.9

TSWREIS

2018

Board of secondary education, SSC, CGPA:8.2

SKILLS

- **Programming Languages:** Java, python, JavaScript (ES6+).
- **Front End development:** HTML, CSS, JavaScript (ES6+), React Js basics, Responsive design.
- **Backend Development:** Node.js, Express.js, basics.
- **Database:** SQL, MySQL, MongoDB Basics
- **Concepts:** Data Structures and Algorithms, Object-Oriented Programming (OOP)
- **API Development:** RESTful APIs, Fetch API, JSON.
- **Tools:** Microsoft Visual Studio, Eclipse, Git/GitHub.

SOFT SKILLS

- Problem solving skills, Team work, Adaptability, Communication, Time management, Continues learning

PROJECTS

PROJECT 1 Educational Institution Site.

Website: shivagadwala.netlify.app

Technologies: HTML, CSS, JavaScript.

- **Responsive Design:** Created a fully responsive site for an educational institute, ensuring optimal viewing on various devices.
- **UI/UX and Layout:** Designed a user-friendly layout with organized sections like About, Courses, and Contact
- **Interactive Features:** Added JavaScript-based interactions to enhance user experience.
- **Deployment:** Hosted and maintained the website on Netlify for easy public access.
- **End-to-End Development:** Independently developed the entire website from concept to deployment, demonstrating proficiency in front-end web technologies and best practices in web development and design.
