SUMMARY

I am a motivated and enthusiastic recent graduate with a degree in Electrical Engineering. During my academic career, I developed strong skills in programming and communication, which gave me hands-on experience and deepened my interest in the field. I am eager to begin my professional journey, contribute to a dynamic team, and grow my skills while adding value to the organization.

PROFESSIONAL SKILLS

Design Understanding
Team Collaboration
Problem Solving

TECHNICAL SKILLS

PHP, WordPress, HTML, CSS, JavaScript, MySQL,
Bootstrap

May 2025 - Present

PROJECTS

E-Commerce Project

Developed a responsive e-commerce website with user login, product catalog, shopping cart, and order system
Created admin panel for product, order, and user management
Used PHP & MySQL for backend; HTML, CSS, JavaScript & Bootstrap for front-end responsiveness
Implemented secure user authentication and database integration
