Profile

To apply my engineering skills and technical knowledge to solve complex problems and contribute to innovative solutions as an Engineer in my professional development field. To use my proficiency in software development and programming to create innovative and efficient solutions while continuously improving my technical abilities and contributing to impactful software projects.

Education

B-TECH in Artificial Intelligence & Machine Learning, *Malla Reddy University* 2021 – 2025
Current CGPA: 7.7

INTERMEDIATE(TSBIE), *Narayana Junior College* 2019 – 2021
Score: 86

SSC, *Gowtham model School* 2019
CGPA: 8.8

Skills

Knowledge in Front End

Python,C,C#(basics) HTML,CSS
,Figma

Databases

SQL

Languages

- English, Telugu, Hindi

Projects

An Exploration on Text Classification using machine learning

The process of assigning predetermined categories to open-ended text documents using machine learning

Real Time Face Detection Using Artificial Intelligence

Published in JSREM Journal on Volume 07

Bone fracture Detection using Deep learning

Developed a deep learning model for bone fracture detection using CNNs, improving accuracy in medical imaging analysis.

Smart Street-An Artificial Intelligence(Ai) powered Street Garbage Detection & Alert System

Developed an AI-based system using [tools/libraries like TensorFlow, OpenCV, YOLO, etc.] for real-time detection of street garbage from live camera feeds or images.

Integrating Readability Formulas and Machine Learning for Evaluating Technical Resources Tailored to Older Adults

Presented system outcomes through reports and/or visual dashboards, demonstrating enhanced support for age-inclusive technical communication.

Certificates

- - Introduction into Python
- Course Ongoing AWS Cloud Foundation Course
- Introduction into Relational data base SQL
- Course Ongoing Figma UI/UX Design Essentials

Skills

- Strong organizational and time-management skills
- Ability to work independently and as part of a team
- Exceptional communication and interpersonal skills
- Detail-oriented and able to handle multiple tasks simultaneously

Declaration:

The information stated above is True to the best of my knowledge and belief.
