Technical Skills

Domain	Scope	Tools and Technology
Supply chain (Siemens with Coca Cola)	Production, Assembly,Delivery,Payment Gateway	AWS,TFS,JAVA,React js
Servey Domain (NSSO – Central Government survey projects)	Windows and Android version,Master data management,data manipulation,Integration,UI testing.Client handling,Build delivering version by version.Admin portal automation	.net,AWS,Azure,IntelliJ
Payment Domain (Digital Edge , TCH)	Pain.001/Pacs.002 ISO 20022/Pacs.008 ISO 20022/camt.056 ISO 20022 Message/admi002.001 etc. Credit transfer and RFP with MDM (Master Data Management and orchestration engine), Payment gateway integration like PayPal.	AWS, My SQL , Java / CI CD / JIRA / IntelliJ / Dbeaver/Maven/TestNg/Cucumber/Selenium/Rest assure
Supply chain (Tea Board ,MJ valuemart)	Procurement, Production, Assembly,Delivery,Payment Gateway	Java, Mongo DB, SQL,TFS,JIRA
Ecommerce (Getyoo, Blackwolf,Escape2.Keyboard,Moofoo)	Page display, Session Management, Usability, Content Analysis, Availability, Back-up and Recovery, Transactions, Shopping order processing and purchasing, Internationalization,	HTML,CSS, Java Scripts Sql,Dbeaver,J-Meter

	System Integration , Login and Security	
Social Community (Ocean Hub)	Combination of Facebook, LinkedIn, Twitter, Slack, etc.	PHP,React JS,Java Script Sql,Slack,Dbeaver

Work Experience Summary

- ✓ Worked with **TD Bank** and **City Bank** to test the mobile application and generate the defect reports.
- ✓ Reviewed requirements documents and technical specifications to provide timely and meaningful feedback.
- ✓ Conducted manual and automated tests on software applications to identify bugs or defects.
- ✓ Maintained databases of known defects, tracking their resolution throughout the software development life cycle.
- ✓ Identified opportunities for improving the efficiency of the QA process through automation or other means.
- ✓ Tracked project timelines and milestones ensuring timely completion of tasks within budget constraints.
- ✓ Ensured that all projects adhere to company standards and industry regulations regarding quality assurance practices.
- ✓ Provided support in developing automation scripts using various tools like Selenium WebDriver, Cucumber .
- ✓ Developed test cases based on user stories and requirements documents and ensured they are up-to-date at all times.
- ✓ Monitored performance metrics such as response time, memory usage during stress testing sessions.
- ✓ Performed root cause analysis for identified issues, tracked progress and reported results.
- ✓ Supervised a team of QA Engineers in executing all phases of testing activities.
- ✓ Developed and implemented test plans, strategies, and processes to ensure quality assurance of products.
- ✓ Documented process flows for new features and functionalities introduced in the application.
- ✓ Coordinated with cross-functional teams to ensure product compliance with quality standards and customer requirements.
- ✓ Monitored changes in quality regulations and standards, updating company practices to maintain compliance.
- ✓ Delivered reports on quality control metrics to internal departments for analysis as well as to outside vendors and contractors for consideration in new contracts.

Organization Name and Experience Detail

Organization Name	Profile	Experience
Tuteck Technologies	QA manager	3rd march to currently working
RS software (TD Bank,TCH,Alloy Labs)	Test Lead	10th November 2022 to 4 th December 2024

Mobile programming LLC (Siemens)	Senior QA (Lead)	17th May 2022 to 7th November 2022
Mjunction services (Tea-Board)	Senior officer (QA)	3rd June 2019 to 2nd May 2022
Randem IT (Australian based)	Associate software test engineer	Nov 2018 to May 2019
Mass software solutions (Norway based)	Software test engineer	Feb 2018 to Nov 2018
Hinex Technologies Pvt Ltd	Functional and Validation Tester	3.2 Years

Achievements

- ✓ **Completed the certification of Project Management.**
- ✓ **Successfully completed testing certification from Q-spiders (Bangalore)**
- ✓ **‘O’ level from NIELT (Doeacc) from Jadavpur university campus Kolkata.**
